Dear **Friend of FHSR**,

For over 65 years, the **Foundation for Hearing and Speech Resources** (FHSR) has been committed to improving the quality of life for families living with pediatric hearing loss. By creating and funding innovative programs that help children and young adults with hearing loss participate fully in all aspects of life, FHSR works to mitigate the challenges of hearing loss for these children and their families as well as support the professionals who work with them.

On September 28, 2024 we are hosting our annual Rock The Town for Hearing event, a fun community concert and fundraiser, at Fitzgerald's Sidebar in Berwyn. We will be raising funds through our ticket sales, a speciality cocktail, and our signature 50/50 raffle.

**However, we think our efforts would go even farther with your company as one of our official corporate sponsors.** On the next two pages, we've provided a menu of opportunities for your consideration, including pre-set packages and "a la carte" options.

With you by our side at this upcoming event, we're sure to achieve this season's fundraising goal of \$30,000 and serve the many children, parents, and practitioners that FHSR represents.

If your company is interested in being one of our event sponsors, please reach out to us at [kjvandyke@fhsr.org](mailto:kjvandyke@fhsr.org) or 312-519-5400 to discuss which package fits your goals. We can't wait to hear back!

Sincerely,

*Kristen Van Dyke*
