LIVE MUSIC, FOOD AND DRINK
FOR A GREAT CAUSE

Dear Friend of FHSR,

For more than 65 years, the Foundation for Hearing and Speech Resources (FHSR) has empowered children and young adults with hearing loss to thrive. From pioneering programs to real-time support, we're focused on making sure every child with hearing loss can fully engage in school, family, and community life—while also uplifting the professionals who support them. You can read more about our impact on the next page.

On November 8, we're turning up the volume at our annual Rock the Town for Hearing event! Join us at Candlelite Chicago in Lincoln Park for a lively community concert and fundraiser with live entertainment from *Tears Dry on Their Own*, featuring Sally Bandon, lead teacher of our Music to My Ears program. With great music, and an exciting silent auction featuring premium items from some of Chicago's top businesses, it's set to be an unforgettable night—all in support of our mission.

This year, we're inviting you to be part of the impact. As an official sponsor, you'll not only help us reach our \$30,000 fundraising goal—you'll be championing brighter futures for children with hearing loss across our community.

We've outlined a range of sponsorship options on the next two pages, from all-in packages to custom à la carte opportunities. Let's find the one that fits your brand best. We are also collecting donations for our silent auction - [please click here if you are interested in offering an item.](#)

If you're ready to amplify your impact, [click here for our sponsorship form](#). If you have questions, reach out to us at kspelman@fhsr.org or [773.550.8630](tel:773.550.8630) to discuss. We'd love to partner with you and make some noise for a great cause.

With gratitude,
