LOCATION:

FEATURING:

A LOCAL CHICAGO COVER BAND

Dear **Friend of FHSR**,

For over 60 years, The Foundation for Hearing and Speech Resources (FHSR) has been committed to improving the quality of lives of those with hearing loss. By creating and funding innovative educational and clinical programs, FHSR works to mitigate the challenges for children living with hearing loss, helping them to achieve on the same level as their hearing peers.

On May 6, 2023 we are hosting ***Rock The Town for Hearing***, a concert-style fundraising event, with a local Chicago tribute band, the Commoners. At this event, we will be raising money through ticket sales, a small silent auction, and proceeds from the sale of a specialty drink.

However, our efforts would go even farther if you would join us as a sponsor. Our shared interests will show your commitment to the work our foundation is doing, serving the many children, parents, and practitioners that FHSR represents. Enclosed we've provided a menu of opportunities that show the various values at each sponsorship level. The top two levels will allow you to have key name and logo placement both before and during the event.

Becoming a sponsor is a fantastic opportunity to reinforce the importance of community, outreach and service. With you company sponsorship by our side at this upcoming event, we're sure to achieve this event's fundraising goal of more than \$28,000 and serve the many children, parents, and practitioners that FHSR represents.

We are confident that as an event sponsor you and your company will be an amazing partner. We look forward to hearing from you and answering any questions you may have. Please reach out to me at kjvandyke@fhsr.org.

Sincerely,

Kristen Van Dyke
